AMEND Senate Bill No. 3718

House Bill No. 2768*

by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 54-3-113, is amended by adding the following language as a new subsection:

(f) The department is urged to consider a major bridge project crossing the Mississippi River located in a municipality having a population over 650,000 according to the 2000 federal census or any subsequent census, together with any related highway facilities and structures needed to complete the project and give it logical termini, as one of the two (2) projects authorized in subsection (b).

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
